> PROFESSIONAL EXPERIENCE

➤ JAVASCRIPT DEVELOPER

Truworth Infotech, Jaipur

November, 2019 - Present

Truworth builds digital solutions for the healthcare sector. My core activities include –

- + Working within JavaScript ecosystem and Agile development environment to develop health based web applications, in a multi-disciplinary team with a product and feature based focus.
- + Participate in code reviews of other developers' work.
- + Improving the team skills by giving lecture on lesser used concepts.
- + Assisting in development of software technical documentation.

➤ SOFTWARE DEVELOPER

Citi Mobility Solutions

July, 2017 - November, 2019

Citi Mobility aimed at developing a SaS for the logistics sector. My core activities included –

- + Engineered web application development from planning, designing, programming to maintenance primarily using ASP. NET MVC technology, SQL and JavaScript.
- + Worked as part of a team as well as working autonomously.
- + Contributed to improvements to the software development process.
